As a member of numerous Junior and Young Rider teams, Louise has consistently achieved medal winning success. The last few years has seen Louise focus on producing her own up and coming horses; a strategy that has certainly paid off as she now has a solid string of horses coming through for top level competition.

Louise made her debut on 5* Senior Nations Cup teams in 2013 with the grey mare Hello Winner IV, a horse which she has produced herself. Their inclusion on the team representing Great Britain at the Furusiyya Nations Cup Final in Barcelona saw them put in extremely solid performances at Championship level competition. An incredibly talented rider, Louise has always been considered an asset to any team.

She is also a member of the World Class Development Programme for 2013-2015.
